

## SOCIAL AND PERSONAL

## Auf Wiedersehen!

The little gate was reached at last, half hid in blossoms down the lane; she pushed it wide, and, as she passed, a wistful look she backward cast, and said—"Auf Wiedersehen!"

With hand on latch, a vision white, lingered reluctant, and again, half doubting if she did aright, soft as the dew that fell that night, and said—"Auf Wiedersehen!"

The lamp's clear gleam fits up the stair; the finger in delicious pain; Ah, in that chamber, whose rich air to breathe in thought I scarcely dare, "Think who—" "Auf Wiedersehen!"

"Thirteen years, once more I press the turf that echoes the lane; I hear the rattle of her dress, I smell the lilacs, and—ah, yes, I hear—" "Auf Wiedersehen!"

Sweet place of beautiful maiden Art! The English words had seemed too faint, But these they drew us heart to heart, Yet held us tenderly apart; And said—"Auf Wiedersehen!"

—JAMES RUSSELL LOWELL.

## HEART RIGHT

## When He Quit Coffee.

Life insurance companies will not insure a man suffering from heart trouble. The reason is obvious.

This is a serious matter to the husband or father who is solicitous for the future of his dear ones. Often the heart trouble is caused by an unexpected thing, and can be corrected if taken in time and properly treated. A man in Colorado writes:

"I was a great coffee drinker for many years, and was not aware of the injurious effects of the habit till it became a chronic invalid, suffering from heart trouble, indigestion and nervousness to an extent that made me wretchedly miserable myself and a nuisance to those who witnessed my sufferings.

"I continued to drink coffee, however, not suspecting that it was the cause of my ill health, till, on applying for life insurance I was rejected on account of the trouble with my heart. Then I became alarmed. I found that leaving off coffee helped me quickly, so I quit it altogether, and having been assisted by the advertisements of Postum Food Coffee I began its use.

"The change in my condition was remarkable, and it was not long till I was completely cured. All my ailments vanished. My digestion was completely restored, my nervousness disappeared, and most important of all, my heart steadied down and became normal, and on a second examination I was accepted by The life insurance company. Quitting coffee and using Postum worked the cure. Name given by Postum Co., Battle Creek, Mich.

There is a reason, and it is explained in the little book, "The Road to Wellville," in each package.

## SONG.

By THOMAS HOOD.

Other selections from this author, his portrait, autograph and biographical sketch, have already been printed in this series.

LADY, leave thy silken thread  
And flowery tapestry;  
There's living roses on the bush,  
And blossoms on the tree;  
Sleep where thou wilt, thy careless hand  
Some random bud will meet;  
Thou canst not tread but thou wilt find  
The daisy at thy feet.

Th' like the birthday of the world,  
When earth was born in bloom;  
The light is made of many dyes,  
The air is all perfume;  
There's crimson buds, and white and blue—  
The very rainbow showers  
Have turned to blossoms where they fell,  
And sown the earth with flowers.

There's fairy tulips in the east,  
The garden of the sun;  
The very streams reflect the hues,  
And blossom as they run;  
While Morn' opes like a crimson rose,  
Still wet with pearls of dew;  
Then, lady, leave the silken thread  
Thou twinst into flowers!

This series began in The Times-Dispatch 86 day, October 11, 1905. One is published each day.
